

RING SIZE GUIDE

HOW TO MEASURE

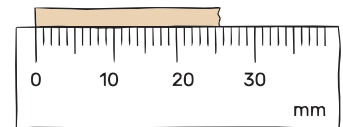

- 1 Cut a strip of paper/string to wrap around your finger.

- 2 Wrap it at the base of the finger you would like to measure & mark where it overlaps.

- 3 Measure the piece of paper/string with a ruler & round up to the nearest mm.

100 MM

To ensure accurate sizing, print this guide at 100%.
The line above should measure exactly 100 mm (10 cms).
